23 AUG 1916

Dear Mr. Bowerman.

I am requested by the above Committee to ask whether permission can kindly be given for copies of the enclosed appeal and leaflets to be placed on delegates' seats in the Congress Hall at Birmingham.

My Committee is very anxious that knowledge of the Burston trouble should be more widely circulated; and I hope it may be the pleasure of your Committee to sanction this application.

I remain

Yours faithfully

The Secretary

Parliamentary Committee T.U.C.
